Bicycle Policies

Bicycle Storage

There are several options for storage of bicycles in and around Housing buildings:

- 1) Bicycle storage lockers are available, in limited quantities, on both East and West campus for a fee. Reservations are managed through the Community Offices.
- 2) Some residence halls have bicycle storage rooms within the building. Ask your staff member if your building has one.
- 3) Bicycle storage racks are located near various residence halls throughout campus.

*** Securing bicycles to hand rails at any location can impede the safe evacuation of areas and is prohibited. In addition, bicycles are not to be secured to trees, lampposts or any landscape/hardscape location *** (See #2 below)
